## What is 4-H Quebec?

In 1976, a club extended an invitation for the whole Quebec Young Farmers membership to attend an event. This event was later referred to as the "Calf Rally", with 70 participants across Quebec presenting their dairy calves.

As the years passed, things evolved, and "Calf Rally" was changed to "Provincial Rally", including members who participated with other projects such as Handicrafts, Horticulture and other large and small animals. While things continued to evolve, the Quebec Young Farmer's Association transitioned to 4-H Quebec.

4-H Quebec is about developing self-confidence, learning skills in communications, leadership, problem-solving and goal setting, but most of all, 4-H Quebec is about having fun! We are here to promote the personal development in youth aged 6 to 25 in agricultural and rural communities. With a focus on fun and learning, we provide opportunities to develop the skills needed in an ever-changing future. Using the talents and energies of our members, volunteers and staff we create innovative ideas and programs as well as maintain our successful traditional ones. Members can choose from projects ranging from livestock to square dancing. We work to spread the impact of 4-H and to help the youth of today become the leaders of tomorrow!

### Message from the Host Club

The Richmond 4-H club is happy to have hosted the 44<sup>th</sup> annual Quebec 4-H Rally. Some of the highlights our club, we all agreed on were the awesome costumes for the costume classes, the opening ceremonies with our Federal Minister of Agriculture, Mme Bibeau, and outstanding projects presented by many great showmen and showwomen on Friday and Saturday.

With 100 members participating throughout the weekend, it was a busy event with lots of outstanding projects.

Once again, we would like to thank the many people who made this event possible; the sponsors' who continue to support the next generation of leaders, the Quebec 4-H office especially Trinity and Quynh, and the parents who put in countless hours making sure their kids and kids projects look their best. A big thank you to the adult leaders who volunteer their time to coach and guide their members.

We can't wait to see you all again next year for the 45<sup>th</sup> annual Quebec 4-H Rally with the exciting theme of ***Disney!***

### The Spirit Award

This award is presented each year to a 4-H member who best exemplifies the 4-H motto, "Learn To Do By Doing" while demonstrating their leadership skills. This award is to encourage participation in all of the Rally activities with enthusiasm.

This year's Spirit Award was presented to 3 outstanding individuals for their hard work and dedication to the Rally: Jessica Rouleau, Quebec 4-H President, Devin Keenan, Chairperson of Rally and Chair of Quebec 4-H Finance Committee and Morgan Passmore, Chair of Quebec 4-H Programs and Regulations.

A big THANK YOU goes out to all the sponsors, organizers, volunteers, judges, parents, and participants who made this event such a success!

We look forward to seeing everyone in Richmond again next year for the 45th Provincial Rally, hosted by the Richmond 4-H Club.
