## What is 4-H Quebec?

In 1976, a club extended an invitation for the whole Quebec Young Farmers membership to attend an event. This event was later referred to as the “Calf Rally”, with 70 participants across Quebec presenting their dairy calves.

As the years passed, things evolved, and “Calf Rally” was changed to “Provincial Rally”, including members who participated with other projects such as Handicrafts, Horticulture and other large and small animals. While things continued to evolve, the Quebec Young Farmer’s Association transitioned to 4-H Quebec.

4-H Quebec is about developing self-confidence,

learning skills in communications, leadership, problem-solving and goal setting, but most of all, 4-H Quebec is about having fun! We are here to promote the personal development in youth aged 6 to 25 in agricultural and rural communities. With a focus on fun and learning, we provide opportunities to develop the skills needed in an ever-changing future. Using the talents and energies of our members, volunteers and staff we create innovative ideas and programs as well as maintain our successful traditional ones. Members can choose from projects ranging from livestock to square dancing. We work to spread the impact of 4-H and to help the youth of today become the leaders of tomorrow!
