## Message from 4-H Quebec

It was wonderful for the Provincial office to join our Host club in presenting the 2022 Provincial Rally. Travelling many hours this year was the Richmond, Hatley Lachute, Ormstown, and Howick 4-H Clubs, to be with the incredible Shawville host club delegation. The hard work put into over 100 projects was remarkable and the creative projects were stunning in so many ways.

To all the leaders who have worked hard with our staff and summer event coordinator, we say thank you! I appreciate the spirit from which you have served our membership. We can measure the success of our clubs by seeing the development of our members through your work as volunteers.

A big note of appreciation to all our sponsors, board, volunteers, judges, parents, and every participant who made this event such a success.

## What is 4-H Quebec?

In 1976, a club extended an invitation for the whole Quebec Young Farmers membership to attend an event. This event was later referred to as the "Calf Rally", with 70 participants across Quebec presenting their dairy calves.

As the years passed, things evolved, and "Calf Rally" was changed to "Provincial Rally", including members who participated with other projects such as Handicrafts, Horticulture and other large and small animals. While things continued to evolve, the Quebec Young Farmer's Association transitioned to 4-H Quebec.

4-H Quebec is about developing self-confidence, learn-

ing skills in communications, leadership, problem-solving and goal setting, but most of all, 4-H Quebec is about having fun! We are here to promote the personal development in youth aged 6 to 25 in agricultural and rural communities. With a focus on fun and learning, we provide opportunities to develop the skills needed in an ever-changing future. Using the talents and energies of our members, volunteers and staff we create innovative ideas and programs as well as maintain our successful traditional ones. Members can choose from projects ranging from livestock to square dancing. We work to spread the impact of 4-H and to help the youth of today become the leaders of tomorrow!

### Message from the Host Club

With the 46th Annual Provincial Quebec Rally coming to an end we are filled with so much gratitude. This year we chose the Theme of "Time Machine". Taking a trip through time from the Pre-Historic time of dinosaurs and cave men, Wild West and 80's retro to some reflecting more recently on their time in 4-H or the generations on their family farm.

This theme was seen throughout the weekend as we judged the ID class of farm equipment both old and new, heard speeches of how farming has evolved over the years, and the creative writing of a journal entry from 100 years ago. The farm generational scrapbook page meant a lot to me as it's a reflection of what I take so much pride in our family farm. It's special to be able to look back on photo albums from years passed and know I am carrying on what my great grandparents started.

This year was the first Rally for a lot of our members, and I hope it was a memorable one! As a senior member, I've enjoyed watching the young kids participate in their first Rally and seeing members young and old working together. There's a lot to be learned no matter your age, and it's great to see members step outside their comfort zone and try something new.

I was so inspired hearing the stories told at banquet from 4-H Alumni who went on to become 4-H parents and grandparents. Rally truly is a wonderful event that allows us to make so many friendships throughout the province and share in the wonderful thing that connects each of us - Agriculture.

We are always so thankful to our wonderful community who continuously show their support to our 4-H Club. We made the decision that we did not wish to approach small business for donations due to the stresses of the previous year, but our generous community stepped forward with their support despite it all!

We are thankful for our members and parents who always come out to help pull it all together! So much time and dedication go into the planning of these events to make everything run smoothly. We truly appreciate all the hard work from each and every one of our leaders.

And of course, thank you to all the participants. You showed up and made this weekend what it was! We look forward to the next one and of course, to the day we once again host you all in Shawville.

Thank you,  
Rebecca Hamilton
