A MESSAGE

From Quebec 4-H Executive Director and Hatley 4-H

What is Quebec 4-H?

In 1976, a club extended an invitation for the whole Quebec Young Farmers membership to attend an event. This event was later referred to as the “Calf Rally”, with 70 participants across Quebec presenting their dairy calves.

As the years passed, things evolved, and “Calf Rally” was changed to “Provincial Rally”, including members who participated with other projects such as Handicrafts, Horticulture and other large and small animals. While things continued to evolve, the Quebec Young Farmer’s Association transitioned to 4-H Quebec.

4-H Quebec is about developing self-confidence, learning skills in communications, leadership, problem-solving and goal setting, but most of all, 4-H Quebec is about having fun!

We are here to promote the personal development in youth aged 6 to 25 in agricultural and rural communities. With a focus on fun and learning, we provide opportunities to develop the skills needed in an ever changing future.

Using the talents and energies of our members, volunteers and staff we create innovative ideas and programs as well as maintain our successful traditional ones. Members can choose from projects ranging from livestock to square dancing.

We work to spread the impact of 4-H and to help the youth of today become the leaders of tomorrow!

To our Members, family, and Friends of the Quebec 4-H community, thank you for your participation at Rally 2023. It was such a wonderful weekend, and inspiring to see the members' hard work on display. Congratulations to all participants, and a great big thank you to the Hatley 4-H Club for successfully hosting Rally.

Well done, everyone!
Jacqueline Morrison - Executive Director

From Hatley 4-H Club

On behalf of the Hatley 4 H, we would like to thank all the members that participated in the 47th Provincial Rally. A special thanks to all the leaders, parents, volunteers, Paige, Hannah and Jacqueline for helping make this year rally a huge success. The theme for the weekend, “Holidays”, was well represented in the barn displays and costume class.

Definitely great participation and our judges got quite the laugh with the Easter Bunny and the Grinch running back and forth. Even though the farmers Olympics was cut short due to power outage, we believe that all the smiles on the kids face showed that everyone one was having fun.

This year was the first year we welcomed 10 year olds from other clubs, which helped increase the participation rate. It was great to see the older members helping out and being role models for the younger members.

Looking forward to the next 48th Provincial Rally!
